In this issue read about:

- Canteen Leasing
- Recognition Assembly
- Kinder Orientation

From the Principal.

**What a term!**

As Term 3 draws to a close I would like to thank all staff and our community for the work they have done during the last 10 weeks. We have had gala days, a concert, an art show, athletics carnivals, debating, excursions, school photos, a book character day, transition dance groups, high school links, aerobics, Grandfriends/Open day, history event, book fair, fundraisers, swimming scheme and more. When we talk about extra curricula activities to support the development of the ‘whole child’ these are the opportunities that enrich the learning of our students.

These opportunities would not be possible without the dedication of our office, SLSO and teaching staff and the wonderful support we receive from our P & C and parents/carers and their families. Thank you everyone!

There will be lots more to look forward to next term so please keep an eye on the calendar in each newsletter.

All students return to commence T4 on **Tuesday 6th October** (the day after the October long weekend)

**School Photos**

Thank you to all our parents/carers for organising every student to be in full school uniform for our photos last week. The students looked terrific. It is anticipated that the photos will arrive early next term

**Leasing the Canteen.**

It was decided at the last P & C meeting that the school will seek tenders to lease the canteen in 2016. The meeting acknowledged the wonderful work and dedication of both the current and previous canteen supervisors and volunteers but recognise that coordinating and staffing the canteen for 5 days a week as the school grows becomes increasingly difficult.

**Recognition Assembly**

Our combined week 10 recognition assembly will be held this Thursday, 17th September, commencing at 2.10pm.

**Chicken Pox**

From time to time the school is notified about a child or community member contracting a communicable disease. Recently we have been advised of a case of chicken pox in our school community. Please seek medical advice if you or your child develops symptoms.
Student success

It is always nice to celebrate the success of our students. Congratulations to:

Kiko B – second in the regional Spelling B.
Debating team – off to compete at the regional level.

Mackenzie C – first at region in the 800m - off to the NSW state championships.

Lachlan S – first at region in discuss – off to the NSW state championships.

Angel G – two first places at the regional equestrian carnival.

Kindergarten Orientation

We are looking forward to welcoming our 2016 kindergarten students at the first of 5 orientation sessions on Friday 23rd October. Details of our orientation program have been sent to all families.

If you know of a student starting school next year who has not enrolled in our school, please advise them to do so as soon as possible so that they too can be provided with the details of our orientation program.

Dogs on School grounds

Please be reminded that dogs are not permitted on school grounds. Recently a child at a local school suffered significant facial injuries as a result of a dog biting them as they left the school. You full cooperation with this matter is appreciated.

School Administration and Support Staff week

Recently our school had the opportunity of recognising the wonderful work that our office and support staff do in our school. It was a delight to hear students read out all the support and encouragement they receive from these staff members each and every day. We often speak about our school being a learning community and our office and support staff make a great contribution to the learning and wellbeing of all our students.

Elderslie Super Speakers Debating Team

On Thursday 3rd September the Elderslie Super Speakers debate team, which includes Patrick C, Katie C, Kasey M and Ryan M debated Camden South Critical Coopers. It was a great debate and both teams delivered convincing arguments. In the end Elderslie Super Speakers won the debate. The Elderslie Super Speakers are the first Elderslie debating team to ever make it into the next level of debating. At the next level all of the regional champions will be competing against each other. We are very eager to compete in the next debating round. Wish us luck!

Thank you to Miss Viselli and Mrs Cannings for coaching and supporting our Elderslie debating teams this year.

Transition Dance Elderslie High School Dance Spectacular

On Friday 4th September the Elderslie Public School Transition Dance Group performed at the Elderslie High School Dance Spectacular.

The story of the dance was about all the girls falling for a boy. The boy chose only one love. The dance was called He Loves Me, He Loves Me Not.

A big thank you to Miss Viselli for co-ordinating Transition Dance this year! Thank you to Miss Donaldson & Ms Dennis from Elderslie High School for inviting our school to be a part of the dance spectacular.

**Tree Time Disco**

On Monday 14th of September Elderslie Public School celebrated their Term 3 Tree Time activity with a Disco. We had lots of disco flashing lights, music and games. Students were provided with the opportunity to showcase their dance moves on stage. How exciting! All students invited to Tree Time had a blast!

Thank you to the Stage 3 students who assisted with running the disco. Thank you to Miss Viselli for organising Tree Time.

Books Lit Up Our World at Elderslie Public School on Tuesday 1st September at our Book Character Parade. Staff and students joined in the fun of dressing up and parading in front of our peers and families.

This year the students had the opportunity to watch a musical “Shine a Light”. The music incorporated books from the shortlisted CBC books. Most students in K-6 gave it a fabulous review with two thumbs up!

Thank you to students who donated a gold coin to purchase pre-loved books for the Great Book Swap Day. All money raised will be donated to the Australian Indigenous Literacy Foundation.
Stage One ‘Workers in the Community’ Day

On Monday the 7th of September we had workers come into our school. Firstly we had to go to the hall and people came to talk about their work and showed us what they use for their job. We got to meet nurses, pilots, a paramedic, firemen and police officers. After that we got to look at their vans and cars. There was an ambulance, police van and fire truck. My favourite part of the day was looking at all the tools that the firemen have to use because the tools are used to save people.

Chickenpox is a common viral infection that can reappear later in life as shingles.

What is chickenpox and shingles?

Chickenpox and shingles (varicella-zoster) are a highly contagious virus and a member of the herpes family. The disease is usually mild in children but can be more severe in adults and can cause serious illness.

The adult form which most commonly occurs is shingles. Complications can include meningitis and pneumonia. In rare cases it can involve the joints and other organs.

Signs and symptoms

For chickenpox:
- Mild fever
- Runny nose
- Fatigue
- General rash.

For shingles:
- Painful skin eruptions that generally appear on 1 side of the body.

How is the virus spread?

Shingles is spread by direct contact with an infected person. Chickenpox is spread by coughing and direct contact with an infected person. Children are usually infectious 2 days before the rash appears.

What is the risk of transmission?

People rarely get chickenpox twice, whilst shingles occurs more commonly in aged people and individuals that are immunosuppressed.

Shingles is a reactivation of a previous chickenpox infection. Most people have had chickenpox as children and are therefore at greater risk of contracting shingles as adults.

What precautions can you take to avoid the virus?

- Practice good personal hygiene by covering the mouth and nose when coughing or sneezing
- Disposing of soiled tissues
- Washing hands carefully
- Not sharing eating utensils, food or drinking cups
- Pregnant women should avoid contact with anyone with chickenpox.

How is chickenpox and shingles prevented?

- Childhood vaccination programs
- People with chickenpox should avoid contact with others and not attend work, school or childcare until 5 days after the onset of the rash when all blisters have crusted.

Program Update

Hi Everyone!

At OSHClub, the children’s ideas create the program and they have the option to do the activities programmed or there are always materials for free craft available, and equipment for free play. As we come to the end of Term 3 we have had a great term and have taken on some great projects that the children have really enjoyed. Our major project has been dinosaurs that has been based around the new movie Jurassic World. The children have also taken part in many cooking experiences some have been successful and some have been trials although fun has been had by all. As we begin to approach half way through the term we are starting to think about our next school holiday program. To make the most of the program we are asking if any parents have any of the following they are able to donate we would be really appreciative.

- Old Crayon pieces
- Old muffin trays
- Bottles
- Bottle tops
- Cereal boxes
- Shoe boxes
- Glass jars
- Plastic milk cartons
- Paper towel rolls

We would like to wish everyone a happy and safe school holidays!

Thank you this week: To all the families for their donations and support throughout the Term.
