Homework Website Subscriptions – Mathletics and Reading Eggs

Dear Parents/Carers

This year our school has decided to purchase a bulk subscription to the Mathletics and Reading Eggs educational websites.

Mathletics is the world’s most utilised education and mathematics website. Mathletics allows students to progress at their own rate of learning in a fun and engaging way across all content areas of Mathematics from Kindergarten to Year 6. Students do enjoy using the Mathletics website compared to traditional pen and paper mathematics stencils for homework.

The other website subscription that your child will have access to is Reading Eggs. ABC Reading Eggs makes learning to read interesting and engaging for students with great online reading games and activities. The website contains games, songs and golden eggs and other rewards that students can use to customise their reading experience.

The retail price for purchasing a subscription to both websites exceeds $80.00 To subscribe to both websites for the duration of the year is only $22.00.

This is a wonderful opportunity to deeply engage your child in learning at home in order to build their skills and knowledge in a fun and engaging way.

Please complete the slip below and return it to the office by Friday the 26th of February.

Thank you

Mark Peters
Mathletics Coordinator

Tiffany Badewitz
Reading Eggs Coordinator

Michelle Sarjana
Principal
